1.0 PURPOSE

The intent of this Invitation for Bid is to obtain a source for required training manuals for the Loudoun County Department of Fire, Rescue and Emergency Management Emergency Medical Service.

2.0 COMPETITION INTENDED

It is the County's intent that this Invitation for Bid (IFB) permits competition. Such notification must be received by the Purchasing Agent, or appointed designee not later than fifteen (15) days prior to the date set for bids to close.

3.0 DISCREPANCIES

Should a bidder find discrepancies in the plans and/or specifications or be in doubt as to the meaning or intent of any part thereof, the bidder shall request clarification from the County in writing not later than ten (10) working days prior to the bid opening. Any changes to the IFB that result from such clarification request will be communicated through a written addendum and posted on the Procurement home page at www.loudoun.gov/procurement. Failure to request such a clarification is a waiver of any claim by the bidder for additional expenses because its interpretation was different than the County's.

Only those bidders who provide documentation in their bid that they satisfy the following criteria will be considered for further evaluation. Failure to include any of the required documentation may be cause for bid to be deemed non-responsive and rejected.

6.0 CONTRACT TERMS AND CONDITIONS

The Contract with the successful bidder will contain the following Contract Terms and Conditions:

6.1 Procedures

The extent and character of the services to be performed by the Contractor shall be subject to the general control and approval of the Chief of Loudoun County Fire, Rescue and Emergency Management or his/her authorized representative(s). The Contractor shall not comply with requests and/or orders issued by other than the Chief of Loudoun County Fire, Rescue and Emergency Management or his/her authorized representative(s) acting within their authority for the County. Any change to the Contract must be approved in writing by the Purchasing Agent and the Contractor.

6.2 Contract Period

The Contract period shall cover the period from January 1, 2011 through December 31, 2011, or an equivalent period depending on the date of contract award.

This Contract may be renewed at the expiration of the initial term at the request of the County. The renewal may be for up to four (4) additional one (1) year periods. Any renewal shall be based on the same terms and conditions as the initial term with the exception of the price or rates. Initial prices or rates and subsequent renewal prices or rates are guaranteed for a minimum of twelve (12) months. Any increase in prices or rates after the initial term or any renewal term shall be limited to the prior year's increase in the Consumer Price Index for Urban Consumers less food and energy (CPI-U) (unadjusted for seasonal changes) for the current twelve (12) month period.

Notice of intent to renew will be given to the Contractor in writing by the County, normally ninety (90) days before the expiration date of the current Contract.

6.3 Contract Quantities

The quantities specified in this Contract are estimated only. They may not indicate the actual quantity which will be ordered, since such volume will depend upon requirements which develop during the Contract period.

Quantities shown shall not be construed to represent any amount which the County shall be obligated to purchase under the Contract, or relieve the Contractor of its obligation to fill all orders placed by the County.

6.4 Delays

If delay is foreseen, the Contractor shall give immediate written notice to the Division of Procurement. The Contractor must keep the County advised at all times of status of order. Default in promised delivery (without accepted reasons) or failure to meet specifications, authorizes the Division of Procurement to purchase supplies elsewhere and charge full increase in cost and handling to defaulting Contractor.

6.5 Delivery Failures

Time is of the essence. Should the Contractor fail to deliver the proper item(s) at the time and place(s) specified, or within a reasonable period of time thereafter as determined by the Purchasing Agent, or should the Contractor fail to make a timely replacement of rejected items when so requested, the County may purchase items of comparable quality in the open market to replace the rejected or undelivered items. The Contractor shall reimburse the County for all costs in excess of the Contract price when purchases are made in the open market; or, in the event that there is a balance the County owes to the Contractor from prior transactions, an amount equal to the additional expense incurred by the County as a result of the Contractor's nonperformance shall be deducted from the balance as payment.

6.6 Business, Professional, and Occupational License Requirement

All firms or individuals located or doing business in Loudoun County are required to be licensed in accordance with the County's "Business, Professional, and Occupational Licensing (BPOL) Tax" Ordinance during the initial term of the Contract or any renewal period.

Wholesale and retail merchants without a business location in Loudoun County are exempt from this requirement. Questions concerning the BPOL Tax should be directed to the Office of Commissioner of Revenue, telephone (703) 777-0260.

6.7 Payment of Taxes

All Contractors located or owning property in Loudoun County shall assure that all real and personal property taxes are paid.

The County will verify payment of all real and personal property taxes by the Contractor prior to the award of any Contract or Contract renewal.

6.8 Insurance

The word "defend" means to provide legal counsel for the County or to reimburse the County for its attorney's fees and costs related to the claim. This section shall survive the Contract. The County is prohibited from indemnifying Contractor and/or any other third parties.

6.10 Notice of Required Disability Legislation Compliance

Loudoun County government is required to comply with state and federal disability legislation: The Rehabilitation Act of 1973 Section 504, The Americans with Disabilities Act (ADA) for 1990 Title II and The Virginians with Disabilities Act of 1990.

Subtitle A protects qualified individuals with disability from discrimination on the basis of disability in the services, programs, or activities of all state and local governments. It extends the prohibition of discrimination in federally assisted programs established by the Rehabilitation Act of 1973 Section 504 to all activities of state and local governments, including those that do not receive federal financial assistance, and incorporates specific prohibitions of discrimination on the basis of disability in Titles I, III, and V of the Americans with Disabilities Act. Every contract of over \$10,000 shall include the following provisions:

- A. During the performance of this contract, the Contractor agrees as follows:

that the Contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, “drug-free workplace” means a site for the performance of work done in connection with a specific Contract awarded to a Contractor in accordance with this chapter, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana during the performance of the Contract.

Requests for substitutions shall be reviewed and may be approved by the County at its sole discretion.

However, this exemption does not apply to the Contractor, and the Contractor shall be responsible for the payment of any sales, use, or excise tax it incurs in providing the goods required by the Contract, including, but not limited to, taxes on materials purchased by a Contractor for incorporation in or use on a construction project. Nothing in this section shall prohibit the Contractor from including its own sales tax expense in connection with the Contract in its Contract price.

The Contractor shall provide complete cooperation during any such investigation.

Individual Contractors shall provide their social security numbers; and proprietorships, partnerships, and corporations shall provide their federal employer identification number on the pricing form.

6.20 Payments to Subcontractors

The Contractor shall pay interest to the subcontractor on all amounts owed that remain unpaid beyond the seven (7) day period except for amounts withheld as allowed in item B. above.

Unless otherwise provided under the terms of this Contract, interest shall accrue at the rate of one percent (1%) per month.

The Contractor shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements as set forth above with respect to each lower-tier subcontractor.

The Contractor's obligation to pay an interest charge to a subcontractor pursuant to this provision may not be construed to be an obligation of the County.

6.21 Assignment of Contract

The Contract may not be assigned in whole or in part without the written consent of the Purchasing Agent.

6.22 Termination

Subject to the provisions below, this Contract may be terminated by the County upon thirty (30) days advance written notice to the Contractor; but if any work or service hereunder is in progress, but not completed as of the date of termination, then the Contract may be extended upon written approval of the County until said work or services are completed and accepted.

A. Termination for Convenience

B. Termination for Cause

C. Termination Due to Unavailability of Funds in Succeeding Fiscal Years

If funds are not appropriated or otherwise made available to support continuation of the performance of this Contract in a subsequent fiscal year, then the Contract shall be canceled and, to the extent permitted by law, the Contractor shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the supplies or services delivered under the Contract.

6.23 Contractual Disputes

The claim, with supporting documentation, shall be submitted to the Purchasing Agent by US Mail, courier, or overnight delivery service, no later than sixty (60) days after final payment. The Contractor shall submit its invoice for final payment within thirty (30) days after completion or delivery. If the claim is not disposed of by agreement, the Purchasing Agent shall reduce his/her decision to writing and mail or otherwise forward a copy thereof to the Contractor within thirty (30) days of the County's receipt of the claim.

The Purchasing Agent's decision shall be final unless the Contractor appeals within thirty (30) days by submitting a written letter of appeal to the

County Administrator, or his designee. The County Administrator shall render a decision within sixty (60) days of receipt of the appeal. Each party shall bear its own costs and expenses resulting from any litigation, including attorney's fees.

6.24 Severability

In the event that any provision shall be adjudged or decreed to be invalid, such ruling shall not invalidate the entire Contract but shall pertain only to the provision in question and the remaining provisions shall continue to be valid, binding and in full force and effect.

7.7 Authority to Bind Firm in Contract

Bids MUST give full firm name and address of bidder. Failure to manually sign bid may disqualify it. Person signing bid will show TITLE or AUTHORITY TO BIND THE FIRM IN A CONTRACT. Firm name and authorized signature must appear on bid in the space provided on the pricing page. Those authorized to sign are as follows:

If a sole proprietorship, the owner may sign.

If a general partnership, any general partner may sign.

If a limited partnership, a general partner must sign.

If a limited liability company, a "member" may sign or "manager" must sign if so specified by the articles of organization

If a regular corporation, the CEO, President or Vice-President must sign.

Others may be granted authority to sign but the County requires that a corporate document authorizing him/her to sign be submitted with bid.

7.8 Correction or Withdrawal of Bids and Cancellation of Awards Under Competitive Sealed Bidding

Correction or withdrawal of inadvertently erroneous bids before or after award, or cancellation of awards or contracts based on such bid mistakes, may be permitted at the County's discretion. After bid opening, no changes in bid prices or other provisions of bids prejudicial to the interest of the County or fair competition shall be permitted. Except as otherwise provided by regulation, all decisions to permit the correction or withdrawal of bids, or to cancel awards or contracts based on bid mistakes, shall be supported by a written determination made by the Purchasing Agent. No bid may be withdrawn when the result would be to award the contract on another bid of the same bidder or of another bidder in which the ownership of the withdrawing bidder is more than five percent (5%). If a bid is withdrawn, the lowest responsive and responsible remaining bid shall be deemed to be the low bid. If the Purchasing Agent or a designee of such, denies the withdrawal of a bid, he shall notify the bidder in writing stating the reasons for his decision.

7.9 Subcontractors

All bidders shall include a list of all subcontractors with their bid. The County reserves the right to reject the successful bidder's selection of subcontractors for good cause. If a subcontractor is rejected, the bidder may replace that subcontractor with another subcontractor subject to the approval by the County. Any such replacement shall be at no additional expense to the County nor shall it result in an extension of time without the County's approval.

7.10 Use of Brand Names

Unless otherwise provided in an Invitation for Bid, the name of a certain brand, make or manufacturer does not restrict bidders to the specific brand, make or manufacturer named; it conveys the general style, type, character, and quality of the article desired, and any article which the County, in its sole discretion, determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. Any catalog, brand name or manufacturer's reference used in the IFB is descriptive -- NOT restrictive -- it is provided to generally indicate the type and quality desired. Bids on brands of like nature and quality will be considered. If the bid is based on offering other than the referenced or specified items, the bid must show the name of the manufacturer, brand or trade name, catalog number, etc., of article offered. If other than the brand(s) specified is offered, illustrations and complete descriptions must be submitted with bid. Samples may be required. Bidders must certify that item(s) offered meet and/or exceed specifications. If an item considered as being equal by the bidder is offered and not accepted, the bid shall be rejected. If a bidder makes no other offer and

takes no exception to specifications or reference data, it will be required to furnish the brand names, numbers, etc., as specified.

7.11 References

All bidders shall include, with their bids, a list of at least three (3) current references for whom comparable work has been performed. This list shall include company name, person to contact, address, telephone number, fax number, e-mail address, and the nature of the work performed. Failure to include references may be cause for rejection of bid as non-responsive. Bidder hereby releases listed references from all claims and liability for damages that may result from the information provided by the reference.

7.12 Contract Quantities

The quantities specified in this Invitation for Bid are estimated only, and are given for the information of bidders and for the purpose of bid evaluation. They may not indicate the actual quantity which will be ordered, since such volume will depend upon requirements which develop during the contract period.

Quantities shown shall not be construed to represent any amount which the County shall be obligated to purchase under the contract, or relieve the bidder of his obligation to fill all orders placed by the County.

NO BID WILL BE CONSIDERED WHICH STIPULATES THAT LOUDOUN COUNTY SHALL GUARANTEE TO ORDER A SPECIFIC QUANTITY OF ANY ITEM.

7.13 Delivery

Time is of the essence. Bid must show number of calendar days required to place material in using agency's receiving room under normal conditions. Failure to state delivery time obligates bidder to complete delivery in fourteen (14) calendar days. A five (5) day difference in delivery promise may break a tie bid. Unrealistically short or long delivery promised may cause bid to be disregarded as nonresponsive. Delivery shall be made during normal working hours only, 9:00 am to 5:00 pm, unless prior approval for an alternate delivery has been obtained from the County.

7.14 Incidental and Consequential Damages

No bidder may require contractual language limiting or eliminating liability for incidental and consequential damages.

7.15 Late Bids

LATE bids shall be returned to bidder UNOPENED, if IFB number, opening date and bidder's return address are shown on the container.

7.16 Rights of County

The County reserves the right to reject all or any part of any bid, waive informalities, and award the contract to the lowest responsive and responsible bidder to best serve the interest of the County.

7.17 Prohibition as Subcontractors Under Competitive Sealed Bidding

No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.

7.18 Vendor Preference in Tie Bids

The Division of Procurement and all other departments of the County making purchases of goods, services or construction shall give preference to goods, services or construction sold by County and State vendors, in that order, in all cases of tie bids, quality and service being equal.

7.19 Anti-Trust Violations

Tie bids may cause rejection of bids by the Division of Procurement and/or prompt an investigation for Anti-Trust violations.

7.20 Basis for Award

Contract award will be made to the lowest responsive and responsible bidder based on total cost per individual book.

Whenever the lowest responsive and responsible bidder is a resident of a state other than Virginia and such state under its laws allows a resident contractor of that state a percentage preference, a like preference shall be allowed to the lowest responsive and responsible bidder who is a resident of Virginia and is the next lowest bidder. If the lowest bidder is a resident contractor of a state with an absolute preference, the bid preference shall not be considered.

7.21 Negotiation with the Lowest Responsible Bidder

Unless all bids are cancelled or rejected, the County reserves the right granted by § 2.2-4318 of the *Code of Virginia* to negotiate with the lowest responsive, responsible bidder to obtain a contract price within the funds available whenever such low bid exceeds the available funds. Negotiations with the low bidder may include both modifications of the bid price and the specifications/scope of work to be performed.

7.22 Notice of Award

A Notice of Award will be posted on the County's web site (www.loudoun.gov/procurement) and on the bulletin board located in the Division of Procurement, 4th floor, One Harrison St, SE, Leesburg, Virginia 20175.

7.23 Protest

Bidders may refer to Sections 2.2-4357 through 2.2-4364 of the Code of Virginia to determine their remedies concerning this competitive process.

7.24 Debarment

By submitting a bid, the bidder is certifying that bidder is not currently debarred by the County, or in a procurement involving federal funds, by the Federal Government. A copy of the County's debarment procedure in accordance with Section 2.2-4321 of the Code of Virginia is available upon request.

7.25 Proof of Authority to Transact Business in Virginia

A bidder organized or authorized to transact business in the Commonwealth pursuant to Title 13.1 or Title 50 of the Code of Virginia shall include in its bid or proposal the identification number issued to it by the State Corporation Commission. Any bidder that is not required to be authorized to transact business in the Commonwealth as a foreign business entity under Title 13.1 or Title 50 of the Code of Virginia or as otherwise required by law shall include in its bid or proposal a statement describing why the bidder is not required to be so authorized. Any bidder described herein that fails to provide the required information shall not receive an award unless a waiver of this requirement and the administrative policies and procedures established to implement this section is granted by County Administrator. The SCC may be reached at (804) 371-9733 or at <http://www.scc.virginia.gov/default.aspx>.

7.26 Cooperative Procurement

As authorized in Section 2.2-4304 of the Code of Virginia, this procurement is being conducted on behalf of and may be used by public bodies, agencies, institutions and localities of the several states, territories of the United States, and the District of Columbia with the consent of the Contractor.

7.27 Acknowledgement of Contract

By submitting a bid, the bidder acknowledges that it understands and agrees to the Contract Terms and Conditions.

7.28 W-9 Form Required

Each bidder shall submit a completed W-9 form with their bid. In the event of contract award, this information is required in order to issue purchase orders and payments to your firm. A copy of this form can be downloaded from <http://www.irs.gov/pub/irs-pdf/fw9.pdf>.

7.29 Insurance Coverage

Bidders shall include with their bid a copy of their current Certificate of Insurance that illustrates the current level of coverage the bidder carries.

The Certificate can be a current file copy and does not need to include any “additional insured” language for the County.

RIDER CLAUSE
Use of Contract by Members of the
Northern Virginia Cooperative Purchasing Council and
the Metropolitan Washington Council of Governments

RFP EMS Books

QQ- 01621

This clause is intended to allow a successful contractor to offer the goods and services of the bid to other member jurisdictions of the Northern Virginia Cooperative Purchasing Council and the Metropolitan Washington Council of Governments. If a mark is made in the **YES** column next to a member name, the pricing, terms and conditions of the final contract are offered to the appropriate member. The successful contractor may directly notify any member jurisdiction of the availability of the contract.

Offering to sell goods and services as a result of this solicitation to other member jurisdictions is voluntary on the bidder's part. A member jurisdiction's participation in the contract is voluntary, also. Any jurisdiction obligated to participate in the contract is indicated in the body of the solicitation and contract.

Each participating jurisdiction has the option of executing a separate contract with the awardee. Contracts entered into with a participating jurisdiction may contain general terms and conditions unique to that jurisdiction including, by way of illustration and not limitation, clauses covering minority participation, non-discrimination, indemnification, naming the jurisdiction as an additional insured under any required Comprehensive General Liability policies, and venue. If, when preparing such a contract, the general terms and conditions of a jurisdiction are unacceptable to the awardee, may withdraw its extension of the award to that jurisdiction. The member jurisdiction(s) which awards the contract as a result of this solicitation is responsible for the award, etc. of its portion of the contract only. The issuing jurisdiction shall not be held liable

Each member jurisdiction which purchases as a result of this offer will be responsible for placing orders directly with the successful contractor, arranging all deliveries, reconciling discrepancies and invoices, and issuing payments.

Failure to offer the terms and conditions of the contract to any member will neither disqualify a bidder nor adversely affect the award of the contract.
